

VOLUME II

PROJECT PROFILES

CONTENTS

Page

I Water Supply and Sanitation

Women in the Use of Solar Energy for Sustainable Water Supply.....2

Promoting Women's Role and Participation in Environmentally Sound and Sustainable Water Management.....6

Women in the Application of Handpumps for Sustainable Water Supply.....9

Promoting Women's Role and Participation in the Effective Use of Solar Energy for Sustainable Rural Water Supply.....12

Pilot Women's Project on Solar Powered Water Pumping System for Rural Water Supply.....16

Women in the Use of Wind Energy for Sustainable Water Supply.....21

Women, Water Supply and Sanitation.....28

Providing Ethnic Women with More Control over Water Resources and Settlement Planning.....31

Role of Women in Water Management.....34

A Study on the Shortage of Water Resources in North China.....38

Role of Women in Research and Development of Wastewater Treatment.....40

## CONTENTS (Continued)

### II Energy

Women and Energy: Information Centre.....	44
Solar Cooking Technology.....	50
Women, New and Renewable Sources of Energy.....	52
International Demonstration Base for Rural Household Energy Technical Training in Hang Zhou City of Zhejiang Province.....	55
Natural Resource Management in the Comoe and Kenedougou Provinces (UNSO/BKF/91/X01).....	57
Energy Sources and Cooking Practices: Effects on Women's Health.....	61
Role of Women in the Protection of the Atmosphere through Promotion of New and Renewable Sources of Energy (NRSE).....	63
Development of Firewood Stove in Rural Areas.....	70
Promotion of Solar Cooking Technology for the Protection of the Atmosphere.....	72
Introduction of Improved Stoves for Women.....	75
International Conference of Women Municipal Leaders on Improvement of the Urban Environment and Protection of the Atmosphere.....	78

### III Rural Development/Agriculture

Promoting Women in Agriculture: An Exchange of Experiences Between East European Women and American Women.....	82
Arresting Deforestation by Introducing Women Farmers to Animal Traction.....	89
A Guide to Growing and Marketing of Medicinal Plants and Products.....	92
Market Gardening Production and Market Gardening Opportunities in an Ecologically Sound Environment.....	95
Unlocking Socio-economic Structures to Improve Rural Women's Productivity.....	97

## CONTENTS (Continued)

Ecologically Sound Market Gardening Enterprises.....	100
Feeding the Cities.....	102
Women and Pesticides - Training and Education.....	103
Pilot Village Involving Women's Participation in the Development of Ecologically Sound Agriculture.....	109
Role of Women in Conserving Water by Drip Irrigation.....	111
Training Women on Promoting Ecologically Sound Agricultural Techniques.....	113
Role of Chinese Women in Afforestation and Environmental Protection.....	116
Strengthening Women's Capacity to Fight Natural Calamities through Ecologically Sound Agriculture.....	119
Integrated Demonstration Model on the Role of Women in Environmentally Sound and Sustainable Development.....	121
Women, Environment and the "Information Consulting System for the Introduction of Organisms".....	125
Role of Women in the Development of Biological Control Technology and Improvement of Agricultural Environment.....	127
Assistance to Rural Women Engaged in Salt Processing.....	130

### IV Coastal Area Management

Women and Coastal Zone Management in Developing Countries.....	136
Including Women's Perspectives in Identifying Coastal Area Resources and Data Base.....	139
Including Women's Perspectives in Environmentally Sound, Sustainable and Integrated Development of Coastal Areas.....	142

## CONTENTS (Continued)

Ensuring Women's Participation in a Flood Action Plan.....	144
Promoting Women's Participation in the Package Projects of Ecological Environment Rectification.....	146
Impact of Sea Level Rise in Chinese Coastal Area.....	148
Strengthening the Role of Women in Reducing Marine Hazards.....	153
<b>V</b> <b><u>Management</u></b>	
Role of Women from Shougang Corporation in Environmental Protection.....	157
Role of Women in the Exploitation and Utilization of Powder Ash.....	159
Problems of Women in Environmental Education.....	162
Role of Women Mayors in Environmentally Sound and Sustainable Development.....	164
Role of Women Involved in the Research and Development of Preventive Technology for Traffic Noise Pollution.....	166
Improving Ecologic Environment in Mountainous Areas by Developing Courtyard Economy.....	168
Integrated Demonstration Model on the Role of Women in Environmentally Sound and Sustainable Development.....	170
Multi-Function Technical Training for Women in Developing Courtyard Economy.....	174
<b>VI</b> <b><u>Research and Training</u></b>	
Training on Gender Sensitive Analysis and Evaluation of Issues Related to Environmentally Sound and Sustainable Development (ESSD).....	177
Making Women Visible - Gender Analysis of Low Technology Extractive Industries in Three Regions.....	182
To Supply Libraries to go on CD-ROM to Women Research Centres.....	187

## CONTENTS (Continued)

### VII Science and Technology

- Technology Assessment and Management Training  
Programme for Asia/Pacific Region.....190
- Strengthening Women's Participation in  
Formulating Science and Technology  
Policy for Sustainable Development.....195
- Information Sharing System for  
Women and the Environment.....199

### VIII Micro-Enterprises/Construction

- Impact of Women's Participation in Credit  
Projects in the Development of Productive  
and Viable Micro-Enterprises.....203
- Integrated Development of Women in Sericulture.....208
- Recycling Plastic at Neighbourhood Level:  
Urban Micro-Industries for Plastic  
Recycling Waste Management.....216
- Women in the Construction and Building  
Materials Sector.....219
- Assistance to Rural Women Engaged in the  
Production of Low-Cost Building Materials.....227
- Environmental Protection of Roads and  
Water Transportation.....230

### IX Health

- Teaching Package on Gender and  
Environmental Health.....233
- Health and Household Energy.....235
- Women and Health.....238
- Educational, Nutritional and Health Programmes  
for Children Involved in Waste Collection,  
and Awareness Programme for Women  
Involved in Rag-Picking.....241

## CONTENTS (Continued)

X	<u>Small-Scale Mining</u>	
	Mobile Mining Task Force.....	247
	Development of Small-Scale Mining.....	250
	Assistance to Small-Scale Mining Cooperatives.....	253
	Role of Women in the Exploitation of Mineral Resources.....	255
XI	<u>Statistics</u>	
	A Subregional Workshop on Statistics and Indicators on Women and Sustainable Development in Asia.....	259
	Development of Time-Use Studies and Valuation of Unpaid Contribution to Social and Economic Development.....	265
	Training in Incorporating Gender Dimensions in Environmental Statistics.....	280
XII	<u>Population</u>	
	Bridging Family Planning Gaps at the Village Level and Awareness Raising on Women's Rights and Roles .....	286
	Rural Women's Time-Use Study for Enabling More Rational and Productive Use of Time.....	290
	Relationship between Women's Fertility and Environment.....	294
XIII	<u>Ageing</u>	
	Human Resource Management, The International Senior Corp for Environment .....	297
	Increasing the Participation of Older Women .....	299

CONTENTS (Continued)

XIV Desertification

Women in the Use of Appropriate Technologies  
for Control of Droughts and Desertification.....304

Pastoral Community and Resource Development  
Project in Mandera District, Kenya,  
(UNSO Pipeline Project Brief - UNSO/KEN/91/X02).....306

XV Public Information

"Crucial Crises, Women's Dilemma" - A Video  
Production for Education of the General Public  
on Women's Decision Making on Survival Needs  
Versus Environmental Needs.....310

Multi-Media Chain-Reaction Project For Forming  
Public Opinion on Environmental Ethics and  
Protection from the Women's Viewpoint.....312
