

# UNA ALTERNATIVA PARA LA SALUD INTEGRAL

**PROGRAMA NACIONAL**

The image features a large, central triangle with a thick, dark, stippled border. The interior of this triangle is filled with a fine stippled pattern. Inside the large triangle, there are several smaller, white-outlined triangles of varying sizes, some of which are nested or overlapping. The text 'UNA ALTERNATIVA PARA LA SALUD INTEGRAL' is printed in a bold, black, sans-serif font across the upper portion of the large triangle. Below this, the text 'PROGRAMA NACIONAL' is printed in a similar bold, black, sans-serif font. At the base of the large triangle, a series of parallel lines extend downwards and outwards, creating a sense of depth and perspective. The entire composition is set against a light, stippled background.
