

## CONTENTS

Preface .....	iii
<i><b>Chapter I</b></i>	
<i><b>A GENERAL VIEW OF TIME USE BY GENDER</b></i>	
<i><b>by Iris Niemi</b></i>	
<b>1. Introduction</b> .....	1
(i) History of time-budget surveys .....	1
(ii) Time-use studies in ECE countries .....	1
(iii) International projects .....	1
(iv) Classification of time-use.....	1
<b>2. Trends and changes in time-use from the 1920s to the 1960s</b> .....	2
(i) Introduction .....	2
(ii) Soviet Union .....	3
(iii) United States.....	3
(iv) United Kingdom .....	4
(v) Main trends in changes up to the 1960s.....	4
<b>3. Recent trends and changes in paid work</b> .....	5
(i) Developments in the employment of women .....	5
(ii) Changes in the time used for paid work.....	5
(iii) The family cycle and time used for paid work.....	5
<b>4. Trends and changes in household work</b> .....	7
(i) Introduction .....	7
(ii) Time used for household work.....	7
(iii) Sharing of different types of household work .....	8
(iv) Trends in the division of household work .....	8
(v) Men who are more apt to participate in household work .....	13
(vi) Summary .....	14
<b>5. Total workloads</b> .....	14
(i) Employment status and total workloads.....	14
(ii) Gender differences in total workloads .....	14
<b>6. Trends and changes in free time</b> .....	15
(i) The amount of free time.....	15
(ii) The content of free time.....	17
(iii) Men and women's free time .....	18
<b>7. Changes in the structure of total time use - a summary</b> .....	19
<b>8. Appendix: Utilizing time-use data in international comparisons</b> .....	20
(i) The benefits of time-use studies in making international comparisons .....	20
(ii) Problems with international comparisons .....	20
(iii) The need for standardization in time-use research.....	20
<b>References</b> .....	21

<i><b>Chapter 2</b></i>	
<i><b>ECONOMIC ACTIVITY AND WOMEN'S TIME USE</b></i>	
<i><b>by Jonathan Gershuny</b></i>	

<b>1. Introduction</b> .....	23
(i) Women's work and employment experience.....	23
(ii) The organization of the discussion.....	23
<b>2. Women and men's participation in paid work</b> .....	24
(i) Labour force participation .....	24

(ii)	Influences on women's participation .....	33
<b>3. Relationship between women's employment and other activities</b>	.....	<b>36</b>
(i)	Data and methods of analysis.....	36
(ii)	Effects of employment status on time use .....	45
<b>4. Women's employment and equality between the sexes</b>	.....	<b>51</b>
<b>References</b>	.....	<b>54</b>

*Chapter 3*  
**WOMEN'S TIME USE OVER THE LIFE CYCLE**  
*by Susan Lingsom*

<b>1. Introduction</b>	.....	<b>55</b>
<b>2. Age group differences in time use</b>	.....	<b>56</b>
(i)	Women's paid work .....	56
(ii)	Women's domestic work .....	57
(iii)	Women's total workloads.....	58
(iv)	Women's leisure time.....	58
(v)	Gender differences in time use by age .....	59
<b>3. Daily lives of older women</b>	.....	<b>59</b>
<b>4. Family cycle differences in time use</b>	.....	<b>62</b>
(i)	Women's family status by age.....	62
(ii)	Family cycle differences in time use .....	63
(a)	Women's paid work.....	63
(b)	Women's domestic work.....	64
(c)	Women's total workloads.....	65
(d)	Gender differences in time use by family cycle .....	65
<b>5. Longitudinal analysis of time use changes</b>	.....	<b>66</b>
(i)	Ageing in Denmark .....	67
(ii)	Ageing in Norway .....	68
(iii)	Ageing in the UK .....	69
(iv)	National differences in ageing .....	69
<b>6. Summary</b>	.....	<b>70</b>

*Chapter 4*  
**THE ROLE OF EAST EUROPEAN WOMEN**  
*IN THE INFORMAL AND HOUSEHOLD ECONOMIES*  
*by Jana Viteckova*

<b>1. Introduction</b>	.....	<b>73</b>
<b>2. Concepts and reality</b>	.....	<b>73</b>
(i)	Starting points .....	73
(ii)	Central and east European modifications .....	74
(iii)	Economic evaluation and time use.....	75
<b>3. Recent time use data and women's economic role</b>	.....	<b>76</b>
(i)	Data and methods .....	76
(ii)	Productive activities in time-use comparison.....	77
(iii)	The economic role of women and time use.....	80
<b>4. Challenges for developing time-budget methodology</b>	.....	<b>81</b>
(i)	Reorientation from leisure to work .....	81
(ii)	Development of research design .....	82
(a)	The choice of the population to be studied .....	83
(b)	The choice of calendar interval .....	83
(c)	Research content.....	83
(d)	Method of elaborating and presenting research results.....	83
(iii)	The classification of productive activities.....	84
<b>5. Summary</b>	.....	<b>85</b>
<b>References</b>	.....	<b>86</b>

*Chapter 5*  
**SUMMARY AND CONCLUSIONS**  
*By Iiris Niemi*

<b>Summary and Conclusions.....</b>	<b>89</b>
-------------------------------------	-----------

**LIST OF TABLES AND FIGURES**

*Chapter 1*

**Table**

1.1	National time-use studies in 1980-1992 in the ECE countries .....	2
1.2	Female labour force as a percentage of total labour force, 1960, 1975 and 1990.....	6
1.3	Total time used for household work from the 1960s to the 1980s .....	7
1.4	Sharing of household work among 15-64 year-olds by sex in Finland and Hungary .....	13
1.5	Total workloads by employment status in the United Kingdom and in Finland .....	15
1.6	Total workloads by sex in certain ECE countries .....	17
1.7	Free time of 15-64 year olds by sex in Finland (1987) and Hungary (1986) .....	18
1.8	Equality ratios in main categories of time use in some ECE countries .....	19

**Figure**

1.1	Time spent on routine housework and cooking.....	9
1.2	Time spent on childcare.....	10
1.3	Time spent on shopping and domestic travel.....	11
1.4	Time spent on odd jobs.....	12
1.5	Free time .....	16

*Chapter 2*

**Table**

2.1	Employment by sex: Europe 1960s to 1980s.....	28
2.2	Explaining the variance in the participation rate of European women.....	36
2.3	Men and women's time use in seven countries .....	39
2.4	Men and women's time use in seven countries. All work (paid plus domestic work).....	52

**Figure**

2.1	Labour force participation rates, by age: men.....	25
2.2	Labour force participation rates, by age: women.....	29
2.3	Women's labour force participation rates by age of youngest child .....	32
2.4	Women's labour force participation rates by level of GNP .....	34
2.5	Women's labour force participation rates by level of childcare provision.....	34
2.6	Women's labour force participation rates by length of parental leave allowance.....	35
2.7	Women's labour force participation rates by level of part-time employment .....	37
2.8	Women's labour force participation rates by level of nursery provision .....	37
2.9a	Time spent by women in paid work by level of GNP .....	46
2.9b	Time spent by men in paid work by level of GNP .....	47
2.10a	Time spent by women in unpaid work by level of GNP .....	49
2.10b	Time spent by men in unpaid work by level of GNP .....	50
2.11	Total workloads .....	53

***Chapter 5***  
**SUMMARY AND CONCLUSIONS**  
*By Iiris Niemi*

Summary and Conclusions.....	89
------------------------------	----

**LIST OF TABLES AND FIGURES**

***Chapter 1***

**Table**

1.1 National time-use studies in 1980-1992 in the ECE countries.....	2
1.2 Female labour force as a percentage of total labour force, 1960, 1975 and 1990.....	6
1.3 Total time used for household work from the 1960s to the 1980s .....	7
1.4 Sharing of household work among 15-64 year-olds by sex in Finland and Hungary .....	13
1.5 Total workloads by employment status in the United Kingdom and in Finland .....	15
1.6 Total workloads by sex in certain ECE countries .....	17
1.7 Free time of 15-64 year olds by sex in Finland (1987) and Hungary (1986) .....	18
1.8 Equality ratios in main categories of time use in some ECE countries .....	19

**Figure**

1.1 Time spent on routine housework and cooking.....	9
1.2 Time spent on childcare.....	10
1.3 Time spent on shopping and domestic travel.....	11
1.4 Time spent on odd jobs.....	12
1.5 Free time .....	16

***Chapter 2***

**Table**

2.1 Employment by sex: Europe 1960s to 1980s.....	28
2.2 Explaining the variance in the participation rate of European women.....	36
2.3 Men and women's time use in seven countries .....	39
2.4 Men and women's time use in seven countries. All work (paid plus domestic work).....	52

**Figure**

2.1 Labour force participation rates, by age: men.....	25
2.2 Labour force participation rates, by age: women.....	29
2.3 Women's labour force participation rates by age of youngest child .....	32
2.4 Women's labour force participation rates by level of GNP .....	34
2.5 Women's labour force participation rates by level of childcare provision.....	34
2.6 Women's labour force participation rates by length of parental leave allowance.....	35
2.7 Women's labour force participation rates by level of part-time employment.....	37
2.8 Women's labour force participation rates by level of nursery provision .....	37
2.9a Time spent by women in paid work by level of GNP .....	46
2.9b Time spent by men in paid work by level of GNP .....	47
2.10a Time spent by women in unpaid work by level of GNP .....	49
2.10b Time spent by men in unpaid work by level of GNP .....	50
2.11 Total workloads .....	53

### *Chapter 3*

#### **Table**

3.1	Average time spent on paid work by all women and by employed women in different age groups.....	56
3.2	Average time spent on domestic work by all women and by employed women in different age groups .....	57
3.3	Total workloads for all women and for employed women in different age groups.....	58
3.4	Average time spent on all leisure activities and on leisure outside the home by women in different age groups .....	58
3.5	Gender differences in paid work, domestic work and total workloads, by age (women's time use minus men's) .....	59
3.6	Time use among women 65-74 years of age .....	60
3.7	Percentage of women 65-74 years of age who participated in the various activities in the course of the diary period.....	61
3.8	Women under 45 years of age by family status .....	63
3.9	Women over 44 years of age by family status .....	63
3.10	Average time spent on paid work by all women and employed women in different stages of the family cycle .....	64
3.11	Average time spent on domestic work by all women and employed women in different stages of the family cycle .....	64
3.12	Total workloads for all women and for employed women in different stages in the family cycle .....	65
3.13	Gender differences in paid work, domestic work and total workloads by stage in the family cycle (Women's time use minus men's).....	66
3.14	Changes in women's paid and domestic work as they aged in Denmark 1964-1975 .....	67
3.15	Changes in women's paid and domestic work as they aged in Norway 1971-1980 .....	68
3.16	Changes in women's paid and domestic work as they aged in the UK 1975-1987.....	69

### *Chapter 4*

#### **Table**

4.1	Basic information on research surveys under comparison .....	77
4.2	Time use of employed men and women .....	78
4.3	Time use of employed men and women in some countries with centrally planned economies .....	79
4.4	Structure of the aggregate workload in Czechoslovakia .....	82
4.5	Structure of the total workload of different groups of women in Czechoslovakia in 1980 .....	82

#### **Figure**

4.1	Structure of productive activities according to the type of economic unit ownership sector, form of labour participation, labour benefit, level of state control and size.....	85
